WHO

WE

ARE

We combine rustic and classic style,
rusty yet, when you touch it you will want to
have it even will not stop.

Cakradesign not new, we were there with teamwork and
qualified people who have experience
in the field of furniture.

Cakradesign comes with a lot of ideas,
we took over that any unused wood
into something that could change the world.

We reduce the harvesting and use of new wood,
but that does not mean we do not use it,
we combine the two in our ideas.

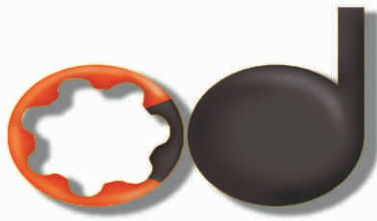

Surya Furniture CV brings a new brand of wide range
of furniture, welcome to Cakradesign and please enjoy
our site. Open widely for any possible business from
your side.
